STRIKE

NATIONAL AUDUBON SOCIETY

SUPPORT THE WORKERS WHO SUPPORT THE BIRDS!

CWA 1180-Bird Union, the rank-and-file workers of the National Audubon Society, is going on STRIKE against Audubon for committing unfair labor practices.

The National Labor Relations Board has issued a complaint charging Audubon with Unfair Labor Practices, including:

- ✗ **Discrimination**
- ✗ **Withholding child care and sick time benefits**
- ✗ **Refusing to negotiate over raises for the lowest earning employees**
- ✗ **Making unilateral changes to the employee health plan**

Like Elon Musk and Project 2025, Audubon is now outrageously claiming that the National Labor Relations Act, the law that gives workers the right to unionize, is unconstitutional!

STRIKE DATES: SEPT. 10, 11, 12
